### **Memo to all Centers Health Care Employees**

In our efforts to be in strict adherence of Federal and State Anti-Kickback Statutes as well as Self-Referral Laws, and to avoid even the appearance of impropriety, Centers Health Care is implementing a zero-tolerance policy for employees to solicit, accept or receive gifts (or anything of value) from vendors, contractors, business associates, beneficiaries or their family members or anyone else with whom we deal. In the event that you are offered a gift we ask that you politely decline it; if one is actually sent to you, you are expected to return it to the sender.

While this policy applies all year round, it is especially important to bear in mind during the upcoming Holiday season.

If you have any questions about this policy please discuss with your Supervisor or Compliance Officer.
